**Eu Yan Sang's subsidiary Healthy Life Group signs MOU with
Venture Integrity Health to pave way for merger of the two
businesses to boost revenue and presence in Australia**

- Fast-tracks the turnaround of the Australian operations for Eu Yan Sang International

Singapore, 5 November 2015 – Healthy Life Group (HLG), a wholly-owned subsidiary of SGX-listed Eu Yan Sang International Ltd (“EYSI”, “the Group” or “余仁生国际企业”), has signed a Memorandum of Understanding (MOU) with Venture Integrity Health (VIH) in Australia under which the parties contemplate HLG taking an option to acquire seven of VIH’s health food retail stores in the Greater Sydney area. The proposed merger will be made through a combination of cash and shares of HLG and is scheduled to be finalized in 2016-2017.

The proposed merger is expected to fast track the improvement of the Australian operations under the Group. The acquisition of the stores is part of HLG’s continued efforts to expand its company operated store network in Australia. VIH’s stores are located in well-known, high traffic areas of Sydney such as Haymarket, Ashfield, Wynard and The Corso at Manly. This acquisition is expected to bring HLG’s total company-operated stores to 54, of which 33 are located in the Greater Sydney area.

In announcing the proposed merger, Mr Richard Eu (余义明), Group Chief Executive Officer, said: “Australia has been an exciting growth market for our business. VIH’s stores enjoy high traffic and have promising potential to boost the Group’s revenue contribution from Australia. We expect the Australian business to show robust increments as we expand the network of our company-operated stores across the country. Healthy Life CEO, Chad Braithwaite said: “Over the past year, we worked hard with our partners in Australia, the franchisees and independent stores to promote the Healthy Life retail brand as ‘more than just a Health Food store’. We are excited with the launch of new, innovative and great value products being introduced under the Healthy Life brand including supplements and power powders, and natural food ranges under the Love Natural and Love Organic labels. We’ve also rolled out new services in select Healthy Life locations such as our Vim and Tonic Vitality Bars and our ‘Lighten Up’ lifestyle programs which showcase the diverse knowledge of our professional staff force in providing trusted advice and recommending the right products for our customers.”

Mr. Ian Wade will be retiring as Executive Chairman of HLG and be replaced by Mr. Robert Eu, Chairman of EYSI. In thanking Mr Wade, Mr Robert Eu said: “We will miss Ian. He has been a decisive leader and was instrumental in leading the integration and expansion of the business in Australia, providing a boost to the overall revenue growth of the business. We truly appreciate Ian’s efforts in working closely with the team at Healthy Life Group over the past 24 months and we wish him well and all the very best in his next endeavours.”
